Hello Dancers.

Hope everyone is having a great summer and enjoying some wholesome exercise by square dancing. Since our club president told me he has “writer’s block” this month, I thought I’d give you a couple of “Do’s and Don’ts of Square and Round Dancing”. These were taken off the internet.

- Personal cleanliness is important in square & round dancing. If possible always shower or bath. Use your deodorant, cologne or perfume & don’t forget to use something to sweeten your breath (mouth wash, chewing gum, etc.) Avoid eating garlic or other offenders before attending a dance.
- Once a tip is underway, refrain from talking. It is frequently difficult to hear & your talking may very well prevent someone else from hearing a call. It is also extremely rude to talk while announcements are being made. Try to quiet anyone speaking to you. Give the speaker the same consideration you would want if you were speaking.
- Regarding club support - - - If you square or round dance, then you should belong to a club and as a member of the club, you need to support the club by: 1) becoming an officer. 2) Pay dues in a timely manner. 3) Support refreshment obligations. 4) Attend club visitation. 5) Attend club meetings and social activities.

Enjoy dancing,

Michelle Mong, Sec’y.
